

JFK PTO 2010-2011 School/Family Directory

The JFK PTO will once again be compiling and publishing the JFK School/Family Directory. This very useful document presents the names, addresses, phone numbers and email addresses of our students and parents/guardians by classroom. The directory will also include listings and contact information for the Wayne Board of Education, JFK staff, PTO officers and committee chairpersons. A current year school calendar and other useful information are also included for easy reference.

Please remember that this directory is intended for the use of families who attend JFK Elementary School only. **The use of this directory for personal gain, profit, or business solicitation is expressly prohibited.**

In order to obtain permission to publish your data in the directory and to expedite the compilation and publication of this directory, we ask you to please promptly fill out the form below and return it to oldest child's classroom teacher by **September 16, 2010.**

- **Please note that if you have more than one child in the school, only one form needs to be returned with all your children listed.**

If you prefer that your family information **NOT** be published in the directory, please indicate this preference by checking the box below and returning the form with just the student name(s) and teacher/classroom filled in. Only your child's name will be published in the appropriate class listings.

Thank you in advance for your prompt and timely response.
